CERES GLOBAL AG CORP. ANNOUNCES PLANS TO SELL NON-CORE ASSET FOR GROSS PROCEEDS OF US\$1,450,000

Toronto, ON, (June 2, 2015) – Ceres Global Ag Corp. (“Ceres” or the “Company”) (TSX: CRP) announced today that it has entered into an agreement to sell its Electric Steel grain facility in Minneapolis, Minnesota, to the University of Minnesota for gross proceeds of US\$1,450,000. The transaction is subject to final approval by the University’s Board of Regents.

The Corporation is expecting to close on the sale in the first quarter of fiscal 2016. As of March 31, 2015, 2015, the carrying value of the related facility’s property, plant and equipment totaled approximately US\$1,300,000 (CAD\$1,643,460).

“This divestiture of a non-strategic asset will provide us with capital we can deploy towards the development of core assets including our high-potential Northgate commodities logistics centre in Northgate, Saskatchewan,” said Ceres chief executive officer Patrick Bracken.

About Ceres Global Ag Corp. (ceresglobalagcorp.com)

Ceres Global Ag Corp. is a Toronto-based company focused on two primary businesses: a Grain Storage, Handling and Merchandising unit, anchored by its 100% ownership of Riverland Ag Corp., and a Commodity Logistics unit, containing its 25% interest in Stewart Southern Railway Inc. and its development of the Northgate, SK Commodity Logistics Centre. Riverland Ag Corp. is a collection of nine (9) grain storage and handling assets in Minnesota, New York, and Ontario having aggregate storage capacity of approximately 47 million bushels. Riverland Ag also manages two (2) facilities in Wyoming on behalf of its customer-owner. Stewart Southern Railway Inc. is a short-line railway with a range of 130 kilometres that operates in South-eastern Saskatchewan. The Northgate Commodities Logistics Centre is a proposed \$96 million grain, oil and oilfield supplies transloading site being developed in conjunction with Riverland Ag and several potential energy company partners, connected to BNSF Railway.

Cautionary Notice: This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation and United States securities laws. Forward-looking information may include, but is not limited to, statements regarding future operations and results, anticipated business prospects and financial performance of Ceres and its subsidiaries, including the plans, costs, timing and capital for the development of the Northgate Commodities Logistics Centre, expectations or projections about the future, strategies and goals for growth, expected and future cash flows, costs, planned capital expenditures, regulatory change, general economic political and market conditions anticipated capital projects, construction and completion dates, operating and financial results, critical accounting estimates, the expected financial and operational consequences of future commitments. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", "believes", "may have implications" or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might", or "will be taken", "occur", or "be achieved". Forward-looking information is based on the opinions and estimates of management at the date the information is made, and is based on a number of assumptions and subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially

from those projected in the forward-looking information. Key assumptions upon which such forward-looking information is based are listed in the "Forward-Looking Information" section of the interim MD&A for the year and quarter ended March 31, 2015. Many such assumptions are based on factors and events that are not within the control of Ceres and there is no assurance they will prove to be correct. Factors that could cause actual results to vary materially from results anticipated by such forward-looking information include, among others, risks related to weather, politics and governments, changes in environmental and other laws and regulations, competitive factors in agricultural, food processing and feed sectors, construction and completion of capital projects, labour, equipment and material costs, access to capital markets, interest and currency exchange rates, technological developments, global and local economic conditions, the ability of Ceres to successfully implement strategic initiatives and whether such strategic initiatives will yield the expected benefits, the ability of Ceres to successfully defend the claim by The Scoular Company, the operating performance of the Corporation's assets, the availability and price of commodities and regulatory environment, processes and decisions. Although Ceres has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results that are not anticipated, estimated or intended. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Ceres undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change, except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking information.
